Attachments: transmittal letter to EPA_Wrkshp PIB & Proc_27 July 2022.pdf; PIB for AI Tools and Open Data Practices for EPA Chemical Hazard Assessments_27 July 2022.pdf; EPA Workshops Triangulation Proceedings FINAL_embargo_27 July 2022.pdf

Dahnish,

It's my pleasure to provide you with the attached transmittal letter and two workshop documents:

- *EPA Chemical Hazard Assessments: Proceedings of a Workshop—in Brief*
- *Triangulation in Environmental Epidemiology for EPA Human Health Assessments: Proceedings of a Workshop*

As indicated in the letter, the proceedings-in-brief will be posted onto the National Academies Press (NAP) website at 11:00 AM this morning. The proceedings document is under embargo until it is posted onto the NAP website at 11:00 on Friday.
